

This is the third year of Christ the King's participation in the Vitalization Cohort Project of the Diocese of Texas. This year we are having 3 congregational meetings to address what is the mission of Christ the King as we move through 2022 and the easing of COVID restrictions. Below is what the congregation discussed on March 13th. If you couldn't join us in person on Sunday please take a moment to answer these questions for yourself. Then join us in person on March 17th after the service as we continue our discussions together.

How connected is Christ the King to the mission of the Episcopal Church?

“to restore all people to unity with God and each other in Christ.”

1. How well do I understand the mission of the Episcopal church?
2. Name two examples that CTK is living into the mission of the greater Episcopal church? How do we know we are living into it?
3. What is the mission of CTK?
4. Is our mission in alignment with the greater church?
5. What did we notice and wonder? What's next?

How connected are we to the Episcopal Church's three priorities?

- **EVANGELISM:**
Listen for Jesus' movement in our lives and in the world. Give thanks. Proclaim and celebrate it! Invite the Spirit to do the rest.
- **RECONCILIATION:**
Embody the loving, liberating, life-giving way of Jesus with each other.
- **CREATION CARE:**
Encounter and honor the face of God in creation.

1. How well do I understand the 3 priorities of the Episcopal church? Can I name any examples of having seen them in action...globally?

2. Name three examples, one from each category, that CTK is practicing, if any, the 3 priorities? What impact have they had on the church and community and how do I know...locally?

3. What are 3 priorities of Christ the King and are they in alignment with the greater church?

4. What did we notice and wonder? What's next?
